

Small Wisom And Nonsense / How much do

You have to be of something to be considered that something?

How much percent Italian to be considered Italian for example?

How much of an asshole to be considered an altogether asshole?

How healthy do you have to be to be considered not sick?

How queer to be considered queer?

How strong to be considered strong?

How blonde to be considered blonde?

How dirty to be considered dirty?

Overall I'd say if you're at least 50% something then you can take the title.

For some even less is needed.. But usually at least 50.
